*Just Truth Ministries*  
"...and the truth will set you free." Jn. 8:32

**Just Truth Ministries** exists to proclaim God's truth through revivals, seminars and conferences both nationally and internationally, also to invest in young pastors and church plants to provide encouragement and direction. God has allowed me to serve in a church with less than a hundred and one which exceeded 1500 and after 37 years of ministry as a senior pastor I would consider it an honor to assist any church of any size. It's all about the Kingdom and God honors those who honor Him.

*Mission Statement:* We exist to help revitalize struggling churches, invest in pastors and church plants, work alongside human trafficking and orphan ministries while demonstrating the life of Christ to reach a lost world.

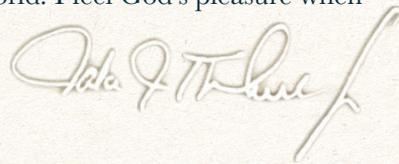

*"Pastor Jake Thornhill is one of the most gifted communicators of the Word of God I have ever heard preach. I had the privilege of serving as Co-Pastor alongside him for a year and a half at Life Community Church, where he pastored for 27 years. I personally witnessed his love for God and others. With over forty years of preaching, Pastor Jake uses his sense of humor and dependence on God's word to connect with all ages. Thousands have come to know Jesus under his preaching of the Gospel. Call and schedule him today. You will not regret it!"*

**Dr. Chad Grayson**

PASTOR, LIFE COMMUNITY CHURCH

*Vision Statement:* to do whatever it takes to reach people for Christ, disciple them, and equip them to become actively involved in ministry strengthening the body of Christ.

God has uniquely designed me to strive towards intimacy with Him, integrity with others, and impact a lost world. I feel God's pleasure when I share truth that transforms lives.

# “ Personal Recommendations ”

*"I need more than a few lines to speak of the ways Jake Thornhill has impacted me. I would need a few years! He was my pastor as a teenager and has remained a spiritual father to me and many others. I learned to preach from him. I learned to pastor from him. I learned how to lead from him. I learned how to pray from him. Without exaggeration, I can say no man besides my father has had a greater impact on me as a husband, dad and minister than Pastor Jake. I highly recommend him in any ministry context; preaching, coaching, revitalization, leadership development, teaching, or mentoring."*
